

## VÄLKOMMEN TILL BISTRON

### Köket

Med hjärtat i den skånska myllan, lägger vi ner mycket tid och kärlek på att hitta rätt och gärna närproducerade råvaror. Bjärekycklingen är klimatcertifierad, Torekovsparrisen är en historia i sig, Vikentomaterna smakar som från en annan värld. Det är med stor respekt vi trollar med dessa råvaror.

### Bistron

Här samsas golfare, hotellgäster och locals.  
Bistron är ett ställe vi samlas på, kopplar av och njuter.  
Ett förlängt vardagsrum som gör att du känner dig som hemma, fast du är bortrest och njuter av god mat och service

### Dryck

Vi försöker välja viner som är odlade och producerade med låg påverkan av vår jord. Smak och stil så det passar många gommar.  
Ett noga valt utbud av olika sorters dryck
